An athlete is limited to three track events and two field events, with all athletes to compete in at least one track event. Their two field events must be from different sections.

Please tick the appropriate box for each athletes' events.

To help ensure each child's name is spelt correctly, please complete this form electronically. (Copying and pasting into this document may disturb the formatting)

Your team must be declared before the start of the event. Please hand in your team sheet at the scoring table ensuring you keep a copy for your own reference.
