These details are calculated on all athletes who compete in three events and the achievements gained are compared to the best of the last 10 achievements for that event and the percentage to this is found, The three percentages are then totalled and averaged to give a total out of 100 (or a percentage) this is then averaged over the athletes three events

This table works from the athlete of the match grading table created for each match, To be on the AOM grading table athletes need to complete in three events not including a relay. Therefore a "0" on this charts does not mean the the athlete did not attend

Acknowledgements

We would like to thank All the helpers, Officials and coaches that assisted at the Above match, without them this could not be such a successful event

There were 141 young athletes attending this match with most of them competing in 3 or 4 events which made things rather busy especially on the Field Events, The use of 7 lanes on the track has speeded up the track events immensely allowing us to bring the shot into the track area for the longer throwers. We also added Foam Javelin in the interval and the Adult relay which proved to be very popular as usually.

Thanks to the following who are all vital to make the event run smoothly:-
