These details are calculated on all athletes who compete in three events and the achievements gained are compared to the best of the last 10 achievements for that event and the percentage to this is found, The three percentages are then totalled and averaged to give a total out of 100 (or a percentage) this is then averaged over the athletes three events

Acknowledgements

We would like to thank All the helpers, Officials and coaches that assisted at the Above match, without them this could not be such a successful event

There were 130 young athletes attending this match with most of them competing in 3 or 4 events which made things rather busy especially on the Field Events, The use of 7 lanes on the track for the 36 races has speeded up the track events immensely, but if using the end lane seating is even more restricted. But this does allow us to bring the shot into the track area at the start for the longer throwers.

Thanks to the following 38 Officials and Helpers who are all vital to make the event run smoothly:-
