

PARKING AT MANSFIELD MINILEAGUE XC, SUNDAY 11th NOV 2pm

Please note that parking at King George V Park Mansfield NG18 4JW is limited. Other park users will also be in the park with footballers probably still parked up from the games that are on the park prior to the cross country.

Some alternative parking is available on Lindhurst Lane NG18 4JE. This is on street parking on the road on the other side of the park but which has a pedestrian gate which leads directly on to the course. Parking is available on one side of the road adjacent to the park perimeter fence and there should be no need to park in front of residential houses.

Can you please share this with parents bringing athletes.

Thanks

David Lisgo
